

UNITED STATES DISTRICT COURT  
DISTRICT OF MASSACHUSETTS

CIVIL ACTION NO. 21-10822-RGS

ANDREW COE

v.

KILOLO KIJAKAZI,  
Acting Commissioner of the  
Social Security Administration

ORDER ON REPORT AND RECOMMENDATION  
OF THE MAGISTRATE JUDGE

September 6, 2022

STEARNS, D.J.

I agree with Magistrate Judge Boal's thorough and careful analysis of the record and her conclusion that the Commissioner correctly found that plaintiff Coe was not disabled within the meaning of the Social Security Act. I further agree with the Magistrate Judge that any error in the Administrative Law Judge's findings or omissions regarding petitioner's complaints of Bipolar II disorder and obesity were harmless considering the record as a whole. Consequently, the Magistrate Judge's Recommendation is ADOPTED, plaintiff's motion to reverse or remand the decision of the Commissioner is DENIED, and the Commissioner's motion to affirm is

ALLOWED.<sup>1</sup> The Clerk will enter judgment for the Commissioner and close the case.

SO ORDERED.
